“ It is with great sadness that we learned of her death in the newspaper. In the last 25 years, Mona's 3 step daughters, 7 grandchildren and 8 great grandchildren loved her and will miss her love, her smile and her wonderful cooking. She was the love of our daddy's life and we know she is now sitting beside him fishing in the lake of all lakes.

“ I am so sorry to hear about Mona. I have so many memories of staying with her and Paul as I was growing up. They were wonderful people and I am blessed to have known them!

“ Grandmona, words can't express how much we will miss you or your cookies at Christmas, Miss fishing with you, or crafts at your house... but I know you are catching some great fish with Granddad right now, probably out-fishing him and papaw Edward, Sam, and many more... We love you and always will... There will NEVER be another GRANDMONA
