“ Harold and I would like to extend our sympathy to each and every one of you. Robert was like a brother to us all. We always enjoyed doing things with him and Sharon. They called him "trouble" at the Top of the River. He always said the food was horrible and gave that sweet smile. Of course, he was just teasing the girls. I will personally miss his kiss on the cheek every time I saw him and always asking about my family. Robert was a special man and we loved him dearly. He will be missed so much. Just a note to Sharon, he is in Heaven now with my mom and they can have that good cobbler together. We love you both!!
