“ Dear Susan and Family, I am so sorry about Bobby. He was so much fun to teach with. I have to say I missed him when I left the Middle School, he was a good friend to me. I remember when you were expecting Daniel, and you and Bobby were anxious about you going into labor at any moment. He kept telling us that we were helping by keeping his mind off the how anxious you both were. Anyway, I wanted to let you know how saddened I am about your loved one. I have good memories of Bobby! Love, Sue Ransum
