“ Dear Fran & Family, We are Heartsick to hear of Bob's passing. May God give you the comfort & strength to get through this time. I will always remember Bob's ways of always joking yet always being sincere in wanting to help anyone in need. I remember all the times we spent in Civitan Club together and the Christmas dinners & times playing board games. The fun times, the 4 of us had together, priceless memories. I wish I could come to you right now, & do know I would be there if we weren't dealing with this Virus crisis. Billy & I have been under a self-imposed House Quarantine for the past 10 days & counting. Dear Friends you & I will always be, Fran. You are in my thoughts and prayers. May God Bless you. We love you.
