“ *Robert, as we go through our time down here we develop a handful or two of people who we admire and respect at that higher level. For me, your one of those people. Your not only one of the few that I'd go through any door with at TPD, but you were one of the few that people just enjoyed being around. Thanks for that, the kindness and smiles, we needed more of it here and you gave it. My respect goes beyond words so I'll just say "see you on the other side". Debbie, you and the family are in my sincere prayers. Robert was one of the good guys while here, and one of the good guys where he IS now.*
