“ I am very sorry for your loss . Losing a loved one in death is such a difficult thing to experience . Please be comforted by the promises in the Bible . Jesus tells us at John 5 : 28 , 29 that all those in the memorial tombs will hear his voice and come out . What a loving provision put in place by the God of all all comfort so we can have the assured hope of seeing our dead loved ones live again one day . Meanwhile as I pray for that day to come I ask Jehovah God to bless your family and give each of you the strength to endure to this most trying time .

“ There are no words to describe how much I loved my Daddy. He was my world. I will miss our daily phone calls and texts from him telling me that he loved me, our long drives just doing nothing but talking about things we had done and things that we would like to do. I loved being with Daddy while watching funny movies. He would laugh so hard and I would laugh at him laughing, although sometimes him laughing hard would scare me. Lol. Most of all I will miss his laughter and his hugs. He gave the absolute best hugs. I will miss him dearly. I love you Daddy!
