“ Roland and Ann loved one another dearly.
I find comfort knowing that Roland did know Jesus and I know that he
Will be reunited with his loved ones that have already gone to
heaven. Roland will be missed by those left here on earth. I feel like
everyone that knew him knew that he had lots of pain and health
issues over the years. He has a new body now and is flying high
with
Love and peace.
May God bless the family and friends.
With Love, Uncle Alan
