“ *I am deeply saddened to hear of Mr. Rains passing. Saddened for the family and the loss that they are feeling. He, however, ran his race and is home with The Father. This man was kind to me when a lot of other people weren't. He gave me a chance at being a regular kid when others didn't and for that I am very grateful and people like him made all the difference in the world. Misti, Brandy.. you're in my prayers. May Jesus comfort you through this difficult time.*
