“ We were saddened to hear of Ruby Jo's passing. She was such a lovely, friendly person. Our memories of her began riding the bus to school with her and becoming friends. Prayers for her family. Gary and Phyllis Howell

“ I worked with Jo years ago at the CCHR. She and I shared some really good times together. She was one of the only people that reached out to me after I quit work there. She had a polite, gentle, and big heart for those residents. She was truly loved by so many of her coworkers especially me, I will always remember her for being a true “lady “.
