“ *I have so many memories of boating on the Illinois River with all my children. We always had a great time in Kentucky at Cliff's house boating and fishing. He enjoyed life and always happy. So sorry for your loss.*

“ *To the Lowe family, Rudy was one of my most treasured friends. He was a great Boilermaker and gave me many insights to the intricacies of the business. I loved trying to outdo him as a welding partner but I loved even more trying to outdo him as a fishing adversary. I remember when we each took our son to the White Bass run in Fremont WI. Rudy thought he'd be funny by fishing from the bow while I had to contend with Tim and Zachary, well things turned around and I'd outfished him! LOL We really enjoyed the trip with our sons. Rest in Peace Brother.*
