“ Russell was so kind to my children when we were at Tuckers Chapel. He played with them and gave them candy several times when we came to service. God blessed him with a long life.

“ Judy, my thoughts and prayers are with you during this difficult time. While working at the nursing home, it was a morning tradition to see Russell watering the flowers as I came in. We swapped "Good Mornings" every morning and it truly meant the world to me. God Bless.
