“ *Something told me to google Ruth Ann tonight, and I'm so saddened to learn of her passing. She meant so much to the Byrne children, and we will never ever forget he love, kindness, and care (or iced tea, okra, or cobbler!)r. I so wish I'd known sooner and even could've hugged her one more time. Feel free to contact me, Angie, if you wish, and hugs to you and yours. Love eternal to your mom.*

“ *Ruth Ann has been a friend to me and my family for so many years--she was "Nanny" to Michael & just kind of "adopted" us. We are so lucky to have had her in our lives, she gave us the gift of her caring, loving heart and we are grateful. I will miss her so much, and will always mourn her loss. I am glad for her that she is no longer in pain and is in a better place. Angie, my heart goes out to you and your family. Ruth Ann, my most excellent friend, may you rest in peace.*

“ Our deepest regret is missing the opportunity to spend more time with Ruth Ann. She must have been an incredible woman based on the love Angie has for her friends and family. Ruth Ann made her mark in this world by doing for others. And that is the lesson we hope to carry forward in her memory. John and Diane Kirkland

“ Ruth Ann (Nanny)was my angel, my children's second mother. She started being Nanny in 1977 and we stayed with her until around 1995. We continued our relationship as very good friends. She and Angie were really part of our family and Angie will continue to be. I talked with Ruth Ann just a couple of weeks ago and we laughed remembering the past. She was in a good place in her life and God saw this and it was her time to go Home. As painful as it is now, especially for Angie, we KNOW we will all be together again. Thank you, God, for the many years you gave us Ruth Ann.
