“ *We love you Sandra....and are going to miss you something fierce! You have always made growing up a Davis fun...you were loving, caring, and always doing little things for everyone...I always remember those beautiful Christmas stockings you made for the kiddos, the Christmas decorations that I still hang on my tree and all the little surprises you were always just popping by with. I will never forget the fun times I had at the office or when you came to stay with us after Thanksgiving holiday.... You were there for Mama and for me during those final years of her life...I love you....I thank you and I cherish you. I hope you know how much. I will take good care of Jenny until Heaven is ready for her to join you. Sleep sweetly dear one...We all love you so much.*

Your sweet Jenny is home now. I know you're so happy to see her. I look forward to seeing you both again. It was an honor taking care of her.
