“ *I love Mrs. Jo so much! I was only her caregiver for a year, but she became a part of my family in that time. I just loved hearing her talk about her family and sing. She was so sweet. We would read her cards that family brought and then she would tell me who each person was in all the old photos she had. The most special part of all this was my three year old would climb up in bed with Mrs. Joe and they would play and it was so sweet. She will be greatly missed!*
