“ I didn't know Scottie his whole life like most.. I only knew him a few years but those times were some great memories! I remember spending days at the River with Scottie teaching Ladetha and Devan to swim. He was so proud of his little dare-devil son and how he would jump right in. So many hours spent talking and laughing while we spent hours waiting for one good Pike to bite the hook and give us a great fight. Those were some great memories...Thanks for letting me into your life and making me feel like part of your family for those few years!
