“ My heartfelt prayers go out to the family at this time . Shane started out {special} to me because he was Bobbie"s nephew but over time he found his own special spot . He always had a smile and a kind word that could just melt your heart . He was one of the most respectful and caring young men that I have ever met.I hope that sweet memories will help to heal your broken hearts.

“ My thoughts and prayers are with Shane's family as you work through this tragedy. Losing a son at the prime of his life is especially hard. I did not know Shane but I'm sure he was a very caring person like his dad. I had the pleasure to work David Moore for many years. Jim Nanney
