“ I did not know Shelby Jean until she came to school at CBHS. She had previously attended Alexis School. She was a special friend to so many of us. I never saw her without a smile on her face. She was in the homecoming court either her junior or senior year. She was a senior class officer and a member of FHA. She and I attended an FHA state meeting at Montevallo and enjoyed rooming together. She was also my roommate when we went on our senior trip to Washington, DC. We were both so tired when we arrived, we left the key on the outside of our door. Nobody got us! She came to my house and fixed my hair on graduation night.

I never saw Shelby again after the Washington trip. I did talk with her on the phone. When our class had a reunion after about 27 years, she was unable to come to the reunion at the Light House Restaurant because one or both of her boys were attending a sports banquet, and they were expecting Momma to be there. As we always expected, she was a good Momma just like she was a good friend to her classmates.

I love you, Shelby Jean, and will always miss you.
