“ *I have so many memories of my Aunt Shirley that fill me with happiness I can even begin to list them. Sometimes she was a mother to me when I needed her to be sometimes she was my best friend and the one I would confide in when I was a teenager. Sometimes she was my teacher when she would let me drive after I had gotten my learners license. She was always my Aunt who loved me unconditionally and wanted nothing but the best for me. I love her more than words can describe and she will be in my heart forever. My prayers are for us all and may God hold my Uncle Nathaniel and help him through this. I love you all.*
