“ *My heart is broken to have lost not only a very dear friend but also a sister. You were beautiful, not only from the outside but within as well. You were truly a woman of God and you lived your life accordingly. Your smile, your kindness, your faith and generosity were only a small reflection of who you were. You were so much more to many of us. I will forever hold onto those precious memories we have shared. The sound of your laugh, the twinkle in your eyes and the tightness of your hugs. You will dearly be missed but never forgotten. RIP love and fly high with the angels for you have rightfully earned your wings. I love you!!!*
