“ Sonny & I are only 6 years apart in age so I have been like a little sister as well as a niece. He has always been so special to me & we have spent good times laughing & singing thru the years. I live in WV now but I don't think I ever failed to visit him & Carolyn when I would come back to Alabama. My husband & I were able to visit with him a few weeks ago. Unfortunately I just came back today from a visit to Duke & my sister Donna's in NC & don't think my body would hold up to a trip to the funeral right now. That hurts my heart as I would like to pay my respects to the family & friends. I know that Sonny is singing & rejoicing with the Angels in Heaven & I am happy for him but he is sure going to be missed. Prayers of comfort for all who knew Uncle Sonny! Sara Lane
