“ I met Spenser when he started Pre-K at Cave Spring Elementary. He was close with my daughter and nephew. Spenser was "one of the good guys" and that makes losing him even harder. Godspeed my son and enjoy your "heaven muddin"!

“ Wind beneath his wings...Rest peacefully. I only met Spenser a few times but he was very sweet and always smiling. From the things ive heard, he really did make lasting impressions on people. His death has made an impact on so many people but its his life and who he was that truly left the impact. Sandy, im so very sorry for yalls loss and broken hearts..you and your family. Sending strength and love out to you all and asking the Lord to comfort you in his loving arms and to heal yalls hearts.

“ I am almost certain that Spenser had no clue what kind of impact he had on the people who knew him or his community. He was one of the hardest working young men and was wise beyond his years. I wish I had an opportunity to tell him how proud I was of the man he had become. I am fortunate to have to had an opportunity to teach him and know him. RIP Spencer!
