“ I was shocked and saddened to see this on FB 2 hours after her memorial service. Sue and I had been friends since JSU days in the late 1960s. We reconnected via FB a few years back and had spoken several times since then. Sue was a class act. My sincere condolences to the family.

“ I can not adequately convey how my heart breaks for you Mr. Freddy and Brooke, my love. I do not ever remember seeing Mrs. Sue without a beautiful smile on her face and love in her heart for others. She and Mr. Freddy hold a dear sweet place in my heart and always will. They are, in my humble opinion, the personification of God's mercy and grace to us. My prayers are with you and will continue to be and I will be at your beckoned call if I can be of service to any of you. May God comfort you and hold you close in the days ahead. All of my love to you.

“ Sue was a precious young lady that would light up a room. We were close friends in college and she made me look good any time we were together! She was about as close to perfect as anyone can be, that's my opinion!!!
