I always remember every time I gave u food,furniture or whatever u would always hug my neck and tell me u love me to the moon and back and that was her sister no matter if it was blood or not.Anytime she would text me and ask if we ok and what did the Dr say .Ill miss them texts and if she where ever near by she would come by and c us no matter what.I love u Susan to the moon and back this isn't goodbye well c u again on the other side .Ur soul has already left us and ur body is just here but we know where you r ur looking over us everyday .If u c my mom and dad tell them I love them and miss them,and give them a hug for me .Your going to have a great time with all the love ones we miss but well be there one day and we all will rejoice.Love u and miss you already .
