“ Although all of us in Michigan had very little time to share with Aunt Susan on our trips to the South as we grew up, we have everlasting fond memories. We all witnessed many times she, our mother (her sister Gail), and Aunt Penny would laugh for hours to the point of tears rolling down their faces and to where only they could understand what was being said. Always fun, lots of fond memories. We will miss her dearly. We send our condolences to Kenneth, Angel, Brittany and the rest of the family.

“ *Gran and paw have always made sure we have had everything we needed and took care of us. She loved everyone and cared for everyone. She has always told me from the time she laid eye on me she knew I was the love of her life. After William was born the love of her life multiplied. William loves gran and paw so much! She also cared and loved for carl and ayden after they joined the family, and we was just a big happy family. We miss and love you so much gran!*
