“ *Tab was a great man and a great friend to my husband, Bob and myself. He found the property that we eventually purchased and built a house on. Always enjoyed talking to him at Jack's and never once did he miss giving me a hug when he saw me. I loved to go to his vegetable stand and talk to him. He will be greatly missed. Due to health reasons I will not be able to attend the services but he and his whole family will be in my thoughts. Rest in peace Tab. I know you have found a place in Heaven. God Bless You All.*
