“ Nathan, Iris, Koby, Katey, Jonathan and Jesse,

I still can't believe that I'm having to write on the funeral home page. It doesn't seem real.

Tanya is the first one to make me an Aunt. I was 14 and so excited! I'm so grateful for the family she created and left for me to cherish! I love each one of you and I want to be there so bad to hug and try to make it better. Robby and I will be coming soon!

We will now continue to remember all the good times! We have shared so many laughs. And we will still do that in Tanya's honor!

I love and miss you Tanya! Fly high on those angel wings and one day the rest of us will join you!

Please take care of yourselves.
