“ *Ms Thelma was a beautiful lady with every meaning of Lady. She was the one that kept your spirits high even if your feeling low. I loved to visit her and here what she was doing and see all her pictures she had made and see the cards she was sending to others and why there was a story with each. Thelma loved her church and loved to talk about it. The time she put in to cleaning her church was a labor of love. O yes and the day she looked up and saw a young man and told her friend that she was going to marry him that good looking man that she had a great life with. They had loving children and fine grandchildren who she loved to talk about how her kids could do most anything but most of all spent time together. Ms Thelma will be missed but most of all remembered her legacy lives on in her family.*

*Blessings to all

“ Ms. Thelma was such a special part of our lives. As long as she was able she called and prayed for Randy (and me). She always talked about all of you - her children, grand-children. She loved you all so much. We will miss her smiling face but know that she is now walking the streets of Heaven loving on T.O. (as she always talked about that) and praising her Lord. You are all in our prayers. May God hold you close in the days to come. We love you all - Randy & Michelle Baker
