“ *I met Tom and Susan at the VFW Friday night Bingo. They took me in and treated me as one of their own. My condolences to Susan and their family. Tom put up a great fight, as any good Marine would , against cancer. He is at peace, if any Marine can be at peace, and rid of pain. Semper Fi Sir! We stand the watch now.*

“ *I met Tom at work working for PMA -207. He would come to our cube some days to say hello, or just pass by and wave. Such a friendly face. In the years we worked together I became friends with his wife Susan who also was our real estate agent. Susan I am so sorry for your loss of such a great Marine! He will be truly missed and call Greg and I if you need anything.*

“ *My husband Buddy and I have known Tom and Susan for probably over 30 years. We became friends because they loved bass fishing as much as we did. He will certainly be missed.*

“ I knew Tom through the Marine Corps League, Jake Puryear Detachment 1020. Part of the time since I joined The MCL, about nine years ago, Tom was always either on the staff or in a support position or on one of the committees. When I was on the staff he was helpful and supportive in helping me in my position. Tom also did a lot for the VFW in many ways. Tom will be greatly missed by these organizations and by everyone who called him friend. Our prayers go out to Susan and all the family.
