“ Mrs Tiffany was a very special person. The day I (Ciera) met her i was a senior in high school.I wasnt having a very good day.I felt so dwn and low that i wanted to end my life. she seen me walking down the hall way with my head down and eyes full of tears. She said i dont know you but you are too pretty to be walking with your head down.She also said. I dont know your problems but God does and he can handle all of them for you. To this day I will never forget her and her encouraging words she spoke to me.She is an angel now but God knew when to send her my way. Praying for the Hightower family. May God be with you all. “ Michael & family, So sorry for your loss. Know that God is with you and he has a plan that we will not understand until we stand before him on our day of going home. Life is like a tapastry, we only see the underside with it knots, tangled strings and dissaray. When we stand before God and see the tapastry he is weaving from his side, we will finally understand how it all fits together. Lean on God durring this time and he will see you through. If I can help in any way, please feel free to call on me.
