“ Tim, words could not express the emptiness in our hearts. The conversations we had about work, the words we spoke about the Lord will never be forgotten. I knew where you stood with the Lord, so this is a lot easier to type this still with a heavy heart. I now know one day we will meet again in Glory....So Long until we meet again.

“ Phyllis, I am sorry for your loss. My heart is heavy for you, but it rejoices for Tim. It is so hard for the people left behind to adjust, but if we could have just a brief glimpse of where he is, we would know that he would not want to come back here, but he'll definitely save you a seat, because he knows you'll meet again and be together truly forever!

“ Dodie, We love you so much and we loved Tim too. He's probably up there singing with the Angel's right now or maybe he's look'n around at the River of Life and wondering "is there any fish in there". Either way we will all miss him dearly. He always had something funny to say to make us laugh and a grin that let us know he was up to some thing. We will keep you all in our prayers. God's Blessings on you all.
