“ *My deepest and sincere condolences to the family of Mr. Mobbs. I had the great pleasure of working with him at IP. He became the highlight of my day, when he would come into the day lab to get his coffee every morning! I started my shift at 5:00am, he would arrive around 7:00am...so when he would come through the door for that coffee, we greeted each other with “Good morning Sunshine!!”. I even brought him in a door hanger that said, “You are my sunshine”, he was so tickled!!*

I loved having conversations with him, he was full of knowledge, as we talked about the stock market and how much he loved deer jerky!! I also covered his office with Clemson tiger paws, when they crushed Alabama 44/16 in 2019. It was always smiles and laughter with Mobbs. I’m glad to call him my friend, you’ll be missed dearly “Sunshine”.
