“ I am so very sorry to hear of Tommy's passing. I hadn't seen him in a while. He is my cousin on my Mom's side. I have fond memories of him. He was always very sweet, funny, and a good guy through and through. When we were younger, one summer I listened to his favorite Beatles' albums with him. That was special because he was so shy! Time flies so fast fond memories of the past seem to slip away til the day we lose the opportunity to make a new memory with the ones we love. But fear not, for we will once again, surely see our dear friends and loved ones, up above in heaven.

“ Please accept my deepest condolences to all Tommy's family and friends. Tommy was one of the "Good Ones". He always had a smile on his face, a kind word to say, and a friendly disposition that made you want to be around him. Since I was little, I considered him the "Huck Finn" of the family, and I always admired him for imbedding that impression on me. I look fondly back on his personality, his quick one-liners, and the warmth that enveloped all he came in contact with due to his sincere human concern for others. I will miss him. Sincerely, Ron Britton
