“ Here is a poem I wrote hope it brings some relief...God picks his angels carefully You know....He only picks them when their ready to go....He handles them with love and care and guides them on their journey there.He'll be waiting with arms open wide - remember one day we will all be by his side.No pain no suffering anymore he has crossed through God's sacred door,To join his family of angels on high..This is " so long - I will see you later " And not " goodbye "
