“ Larry and I were saddened to hear about "Daddy Vann." When our children were small, they didn't know that Daddy Vann and Nana Louise weren't actually related to them. They were Sabre's special people, and, as such, were special to our kids, too. Larry and I grieve with you at the loss of your husband, father, grandfather, brother, and uncle. I hope that your memories of him will bring you a smile at this very sad time. I think he would like that.
