“ I want to express my sympathy to Velma's family and tell them I am praying for them during this experience. I worked with Johnny and Velma both and could not ask for any better persons to be acquainted.

“ Aunt Velma was a special person in my life, especially when I was young when my father and mother (Jim & Audrey Martin) moved to Knoxville, TN from Minn. Dad made arrangements for Craig and I to stay with Aunt Velma for a couple of weeks. That's when I learned how caring, loving and patient she was. Think about it- a couple of weeks with 13 yr old twins!! I suspect anyone's patience would be pushed to the limit, but Aunt Velma never showed it. I continued to stay in touch with Aunt Velma through the years and enjoyed our frequent conversations. My condolences go out to my cousins, Griff and the family. With great fondness and love, Drew Martin
