“ Gail, Freida, Ronnie & Family: Saddened to hear of your sweet mother' s passing. God has blessed Ms Venice for her long life and all the hard work she had done in her life. I have said many times that a good mother's love and sacrifices they make for their children is only exceeded by God and his love for his only son, Jesus.. The times we met and talked to Ms Venice affirmed her love for each of you. Our prayer would be that God bless and comfort each of you in your loss each and every day. “ Venice is my aunt and all the kids love going to her house to eat. She was so kind and sweet and the best cook ever. All the kids would take turns sitting on the ice cream freezer until the ice cream was hardened. She always loved having people come to see her and Uncle Woodrow. She worked in the community her whole life and was always willing to volunteer for whatever needed to be done. She will be missed.
