“*Mrs. Guthrie was the sweetest, most caring person I have ever known. I am so proud that I can call her my dearest friend. She will be missed by so many people because she touched many lives by the way she lived her own life. There are not enough words that I can write here to describe how wonderful she truly was. I loved our phone conversations because she was always positive and uplifting. She helped me through many rough times in my own life, she did that by her grace and attitude. If we all lived a life like hers, the world would be a great place. Although we are so sad that you are gone, you deserve a rest with your dear husband and with God. I will miss you so much. Love you always!*”
