“ I cannot think back on my childhood without thinking of Aunt Jennie. I guess she spanked me as many times as my Mama did (not that I deserved it, of course)because they lived right next door and I played there as much as at home. She is my favorite Aunt I guess because she did treat me as one of her own. I will truly miss her but now Daddy has his little sister with him, keeping him company. I pray for you all to have peace knowing she is in a place of quiet rest with no more pain. God bless you all.
