“Daddy you will truly be missed by many friends and family. This Thanksgiving was hard on all of us. Dakota thinks about his paw paw and he starts to cry. He said the angel on top of the Christmas tree is paw paw looking down on us. And that we should pray for him. I told him that paw paw will always be him in his heart and in all our hearts and that he is looking down on all of u. We will all be together again one day. Love your daughter Jennifer varner
