“ Lisa- I've been thinking about you all day at work. Please know that my thoughts and prayers have been with you and your sons. Try to stay strong and turn it over to God -- hard to do, but the way to survive. I hope to get over to Cedar Bluff for a visit soon. In His name, Lucy

“ April, Allen, Kathy & Brad, We were shocked to read of Lawson's passing. We remember how funny he could be. One Christmas season, several of us rode around looking at ridiculous decorations. He had all of us crying with laughter! We know how he loved to fish & remember when he lived next to the small lake on Elliott Dr he had a fishing line run out the window to the lake. We send our love & prayers to all the family. May our Lord Jesus comfort all of you.B
