“ I want to express my sincere sympathy for the loss of your loved one and I hope the following suggestions help the family members and those who loved William Guy Dutton to lessen their grief.  Talk about your feelings to œa true companion who will listen patiently and sympathetically.  If you have feelings of guilt thinking that some neglect on your part contributed to your loved ones death, realize though, that no matter how much we love another person, we cannot prevent œtime and unforeseen occurrence from befalling those we love. (Ecclesiastes 9:11) More than anything else, a relationship with God can help you to cope with the death of someone you love. Isaiah 33:24 promises the time when an end to sickness will become a reality. God will put an end to pain, suffering and even DEATH. God promises at Isaiah 25:8 that death will be swallowed up forever.
