“ Family: Saddened to hear of Bro Walker's passing but not selfish enough to want to hold on to a man that has lived a full life serving his family, community, Country, and the Lord. Huston Walker and his generation is a dying breed that America and its people are going to miss along with each of his family and friends. I know that I along with the Cherokee Co Cattlemen's Assoc members are going to miss him, but his legacy will continue with his family that he taught to help and carry on. I pray that God will bless and comfort his extended family and friends with his love and peace. Resp, Wendell O. Rakestraw, Woodsbend AI
